WDQ: a double on land, a land blind, a water blind and a combination triple with two birds in water and one on land. Dogs must be steady and deliver to hand

Park your vehicles in designated areas only. Smoking can be restricted in game-lands during dry weather. All dogs must be on leash in parking area and when being aired. No dogs permitted near the line except the competing dogs. When dogs are running, please do not walk around in the gallery, avoid loud talking and do not wear white. Any of these can be very distracting to the dogs and the contestants.

Thank you to our Judges for their time, all of our *Volunteers* for helping shoot, throw, bag birds, marshal the stakes, running lunches and all the little extras.
