RETRACTION

The American Chesapeake Club Board of Directors would like to apologize for an article that was not consistent with the American Chesapeake Club's Code of Ethics.

The article was published on Page 24 of the November/ December 2024 Issue of the American Chesapeake Club Bulletin regarding New Master Hunter Hope Springs Bourgeois Wannabe MH.

The Board does not condone nor agree with the article after the mention of Dave Wilson, and it should not have been published.

The Board is working to put processes in place to avoid this happening in the future.

CORRECTION

On page 34 of 2024 Nov/Dec ACC Bulletin, a Rescue report from several years ago that was intended for the Board was mistakenly submitted to the Bulletin for publication. The reference to the ACC Trust does not depict the current relationship between ACC, Rescue and the Trust. A process was developed between the ACC Board and the Trust at that time to make requesting and receiving funds for Rescue an easier process.

In January of 2024 ACC Rescue received \$5,000.00 from the ACC Charitable Trust. As we all know Rescue and care for our dogs in rescue does not come without a cost. As always, the support of the ACC Charitable Trust and donations made by our members to the Trust help to make this possible.

We apologize for the misunderstandings that may have reasonably occurred because of the accidental publication of this report.

Members interested in being considered for nomination to an officer or Board position may submit to the Nominating Committee a resume of their experience with the breed, previous service to the Club and any other pertinent information regarding their qualifications. Submitted information becomes the property of the Club and may be subject to verification. Interested parties should consider that all positions may not be open for new parties each year as officers and directors generally serve in their positions for three years. Additionally, geographic representation is a consideration when selecting nominees, as required by the ACC Bylaws. Resumes should be submitted to the Nominating Committee by April 1st.

President's Message

I hope everyone had a wonderful holiday!

Looking ahead for the year. We have our premier events to look forward to. The National Show Specialty in Florida and the National Field Trial Specialty in Maine.

We also have other events throughout the year. Check the Events page on the ACC website for more information.

The Health Survey is under way. As of January 13, we have had eighty-one registrations, eighteen completed surveys, and eleven in progress. That is a great start! You can find all the details to register on the Health page of the website.

"Let's support one another and make this year our best yet!"

As we embark on another year of our shared passion, let's embrace each opportunity to come together as a community. Your dedication and enthusiasm are what make our club thrive. Whether you are participating in events, completing the Health Survey, or considering a volunteer position, every effort counts and is deeply appreciated. Let's support one another and make this year our best yet!

Regards,

Tina

VOLUNTEERS ARE THE HEARTBEAT OF OUR CLUB. It is a great way to get to know other members and learn more about the club.

This new Jobs Board is a part of the ACC's revamped volunteer policy. Our goals are to improve communication and access to information about volunteer opportunities. All volunteer applications will be managed by a Volunteer Coordinator and Board members will give all applications fair consideration. You can expect to receive acknowledgement of your application and updates regarding its status.

If something catches your eye and matches your experience, skills, or interests, you'll see an "apply" button within each job listing.

Check out the website for positions available or contact the Volunteer Coordinator at volunteer@amchessieclub.org

We have wonderful support and usually make around \$500.00. We are always looking for new "point people" to help with calls in their region.

(Gina Downin was invited to participate for continuity as an invited Subject Matter Expert). We walked new Board Liaison, Jen Martin, through our ACC Bylaws Revision Hub collection of resources and working documents. We filled Jen in on the tools/resources we have in place, how we got to where we are now and the steps we need to complete to finalize the ACC Bylaws Revision objective. We reiterated our outreach to ACC members seeking bylaw update suggestions and responses (received only one response - include reference to the ACC Code of Ethics). The Committee is focused on adding electronic voting and electronic communication, researching options for Annual Meeting, editing discrepancies in the Nomination Timeline and cleaning up other minor discrepancies and punctuation which could be misleading. The Committee agreed with Jen's proposed goal of submitting a draft of our recommended revisions to the Board by March 31, 2025. Next meetings are scheduled for January 7 and 21, 2025 at 6pm Eastern Time. The Committee agreed to meet twice in January since we could not mutually agree on a meeting date in December
 - iii. **CBR Data Group (Bryan Porter)** The CBR Data Group has been researching commercially available breed databases to which we could migrate our existing data. In the interest of making the club's database more sustainable in the long run and to expand the capabilities of the database, we are exploring alternative database products. Through networking with other parent clubs, we have been in communication with Chris Levy, from the Hungarian Pumi Club of America, who did very

thorough research on breed database options. She has shared, with the CBR Data Group, a 379 page comprehensive analysis of approximately 30 different breed pedigree products. The CBR Data Group has a scheduled zoom meeting with Chris for Dec. 30, 2024.

- iv. **Editorial Committee (Marlene Drag)** The committee is working on a Guidelines document, and is looking for an assistant editor.
- v. **Electronic Communications Group (ECG) (Frank Pittelli)** ECG Activities since our last report: Back-end security and software updates for all websites. Edit and audit the website Ad pages. National Specialty Show Judge Poll

Everyone has an opinion about judges! Here is your opportunity to have a voice in creating the Judges List for use at our National Specialty Shows. The ACC Show Committee is requesting recommendations from members, especially those currently active in conformation. We will take your recommendations and generate a list of 20 judge's names for Regular and Non-Regular Classes and 10 names for Sweepstakes Classes. This list will be provided to the event committees for National Specialty Shows for use in years 2027, 2028, and 2029.

What the conformation-showing membership needs to do:

1. Review the list of judges below and select three (3) names from the list for the Regular and Non-Regular Classes.
2. We also need your write-in recommendations for three (3) names for Sweepstakes Classes. The ACC guidelines for selection of Sweepstakes Judges to consider when making your recommendations are: *"Judges selected to judge Sweepstakes at a National Specialty should be breeders or fanciers (fanciers are persons invested and active in the interest of CBRs, such as breeders, owners, handlers, and prospective judges) with a minimum of five (5) years' involvement in the breed. They must be experienced enough to be able to follow established ring procedures."*
3. Send your recommendations from Step 1 and Step 2 above to the Show Committee via any of the three following methods: email to Melissa Schumann at grizzypeake@gmail.com, use the form below and mail to Melissa Schumann at 10100 SW Quartermaster Dr., Vashon, WA 98070, or log into the Membership Portal on the ACC website <https://amchessclub.org/member-portal/> to vote electronically. Please include your name with email and regular mail, names will only be used to check current ACC membership status.
4. **Deadline is March 30, 2025.** Please be sure your electronic vote, e-mail or post mark is dated before or on March 30 to be considered.

"Marshall" GCH Coppercast's Mighty Marsh
Master, JH CGC

(GCHB Mountainsides Shining Star of Baja, CGC x High Brass Revlon Charlie) finished his Grand Championship title under esteemed judge Mr. Carl Gene Liepman on November 23, 2024 at the Catoctin Kennel Club show. Marshall is owned by Pat and Emelise Baughman, Rebecca McGuire, and breeder Mitchell Horowitz. Rebecca finished his Grand Championship and completed his original championship title, Pat trained and handled him to his Junior Hunter title, and Emelise did his CGC. Marshall is a great family dog for all of us, both in Virginia and Nebraska, and especially loves his girls, Brynn and Clara, who also handled him in PeeWee classes. Marshall is now continuing his hunt test career and waterfowl hunting with Pat.

"Fergie" GCH CH Sleepy Hollow's Witchy Woman,
CGC JH SHR

(GCHG CH Chesastar Hudson Bay, BN RN SH THD - Sleepy Hollow's Something Wicked This Way Comes, THDD CGCA) finished her Champion title on October 15, 2023. Then her Grand Champion May 4, 2024. Fergie is handled by Candace Heath, bred by Cat Martini-Rishid, owned by Derrick Sanderson, and handled and trained by Derrick Sanderson for field work.

New AKC Champions

“Daisy” CH Eastern Waters’ Sacagawea

(GCHB CH Mountainsides Shining Star of Baja, CGC x GCH Eastern Waters’ Millinocket). Daisy started her show career with a point at her very first show from the Bred-By Puppy Class. It was over a year before she went Winners again. She had four major Reserve wins, but no more purple ribbons. She placed 4th in a very competitive Bred-By Class at the NSS in Ohio in Sept. Finally, entered at the local Salisbury MD KC shows, so we could practice, she went Winners Bitch every day and earned several more points. Her first major came from the ACC Supported Entry at the KC of Philadelphia Dog Show under Claire Wisch Abraham. Two weeks later, we were fortunate to have four specialty shows sponsored by the National Capital Chesapeake Bay Retriever Club held in conjunction with Chesapeake KC of Maryland. The first show on Saturday - well, we walked out of the ring with a red ribbon. There went our hopes of going Winners. I thought, well there are three more dog shows! We stayed around for Reserve, but did not have to go back in the ring. In the afternoon, there was a concurrent Specialty Show and Daisy was WB/ BOW under breeder judge Angie Cox for her second 5-point major. The next morning, Daisy was WB for a 3rd five-point major and finished her Championship all from the Bred-By Exhibitor class under Dr. Norbert Dee. Daisy is always handled by breeder/ owner Betsy Horn Humer. It was a wonderful weekend. I moved her up for the concurrent Specialty in the afternoon and she “made the cut”..... Some might refer to those three 5-point majors as a “hat trick”! It was a wonderful way to finish out the year - completing her Championship on December 1st. Daisy is bred by Betsy Horn Humer/Darren Sausser and owned by Betsy and Rupe Humer.

“Sailor” CH Bay Haven’s Red Sky At Night Sailor’s Delight, CGC

(GCH Sleepy Hollow’s You Called Down The Thunder - Granite Peakes Golden Jasmine). Finished his Championship on November 22 winning a major at the Windham County Kennel Club Show in West Springfield, MA. He was also RWD and Best of Opposite in Puppy Sweepstakes at the ACC Supported Entry on November 23. Sailor is owned by Michelle Letts and Grady LaBelle, bred by Michelle Letts, and was handled by Joyce Coccia.

“Snickers” CH Redlion’s Fun Size Snickers

(CH Cur-San’s A Chance To Win, SH x CH Redlion’s Three Bridges Harper, JH CGC TKN). Snickers wrapped up his Championship title in a big way by earning a 5-point major going BOW on December 1st at the National Capital Chesapeake Bay Retriever Club’s Concurrent Specialty under judge Nancy Tuthill. Snickers was handled by no other than myself. I am very excited and appreciative of the Chessie community in helping me to love bonding with my Chessie in so many more ways by learning the show scene. Snickers is owned by Roselyn Ramirez & Jane Pappler. Breeder: Jane Pappler & Fil Fina.

Kennel Club of Philadelphia Supported Entry (PA) – November 16, 2024

The ACC Supported at Kennel Club of Philadelphia was a resounding success! Chesapeake Bay Retrievers had the largest entry with 10 sweepstakes and 44 regular entries. My co-chair Carla Daniels and I thank all of you for your support! Our luncheon was amazing again, coordinated by Christine Tiano and Renee Sillitti. We had a smaller raffle than in previous years due to space constraints but still managed to garner a tidy sum to fill in any holes for next year thanks to our wonderful supporters and the special items donated by Dr. Mike McCarthy and NSS items from Patty Martin. Our sweeps judge, Mrs. Karen Brown, has given a nice write-up on the sweepstakes entries below.

Many of you may know that 2025 will be the last year I will be chairing the Supported entry at KC of Philadelphia. I am more than happy to mentor anyone that wishes to take over the helm. I am also happy to co-chair in 2026. Please consider volunteering for this opportunity at such a prestigious show.

Respectfully,
Ann Law

Sweeps Judge's Report

I was truly honored to be asked to judge the Sweepstakes this year at the Kennel Club of Philadelphia Dog Show, ACC Supported Entry. It was a wonderful experience. A very nice group of young dogs were presented to me, making my choices difficult. I'd like to thank the handlers for patiently working with these youngsters, making my job much easier.

A Bitch from the 12-18 month class really stood out to me from the beginning. Balanced easy movement coming and going, great expression, head piece and a beautiful correct coat. Although she had some very good competition, I feel she was very deserving of Best in Sweeps. I'm looking forward to seeing her grow and mature. The male receiving Best of Opposite Sex to Best in Sweeps was also from the 12-18 month old class. He presented with a smooth fluid movement and correct coat, very nice headpiece.

Best Veteran in Sweeps was a handsome boy from the 10 yrs and older class. Bright and happy to be in the show ring, acting much younger than his age. He still has a wonderful coat and spring to his step.

Thank you to all the folks who brought

their young dogs to me at this prestigious show, for supporting our wonderful breed and making my first time judging a great experience.

- Mrs. Karen Brown

South Windsor KC Supported Entry (MA) – November 23, 2024

The Northeast held Its Supported Entry show at the "Thanksgiving cluster" as is the tradition on November 23rd 2024 at the "Big E" site in West Springfield Ma. This year saw some nice growth with a respectable entry of 32 with 4 in Sweepstakes and it was great to see about half being bred by exhibitor! Big thanks to Ann Law for making the trip up to judge our Sweepstakes!

Many folks brought large items... small items ... outstanding, craftly made baskets and individual donations for our "mega basket" for raffling off. It was a great success and lots of fun with most people leaving with something. Our food table was more of an exquisite banquet table with dishes from sandwiches and meatballs to amazing smoke salmon and more baked treats than could have been eaten! Thanks to all as this is such a special part of this event. Thanks to folks like Deb and Todd and others for always being there to help and of course Barbara who it couldn't even happen without.

And again, A huge thank you to all who donate ... help out ... and even just attend and enter. Without you all we couldn't have had this great event!

New UKC/HRC Seasoned Hunting Retrievers

HR RO1 UCD UCDX UCH SHR CH Frosty Hills Hy Line Ryder "Ryder"

Nancy Boylan reports that her Ryder, HR RO1 UCD UCDX UCH SHR Frosty Hills Hy Line Ryder earned his HR Seasoned title on August 25, 2024. Ryder (3/14/2019, CH Brugge x CH Chesapeakeheart Debut at Frosty Hills) bred by Marie Stump of Danville PA, and co-owned by Stump and Boylan. He earned the title and new letters at their home Hunting Retriever (HRC) club WisIII, under judges Sydney Hunter and Ken Reinert, following earlier passes earned at Cranberry HRC, and Badger State HRC. Cranberry is Wisconsin's newest HRC club, and Ryder's pass was earned at their first-ever test, in Tomah, WI. Ryder's field training this last summer was a joint effort between owner Boylan and professional Dennis Maas of Spring Prairie Gun Dogs, Elkhorn, WI; with the help of his terrific training group. Maas also handled Ryder in the Seasoned tests. Ryder competes in a variety of events with Boylan, they show, test and trial, in both UKC and AKC, making him a multi-titled dog in hunt tests, obedience, rally and conformation. "He is my heart dog," said Boylan. "He's so willing to learn, trainable, loving and lovable. He is also very good at keeping the couch under control. If life is a journey, over the years my Chessies have made it very interesting. But Ryder has to be my favorite. Thank you Marie, for this wonderful dog."

New Master Hunter

HR U-CH Cursan Northwoods Gypsy At SRR MH CD BN RN WDX TKN CGC

(HR CH Silver Creek Sport MH ** X Cursan's Be-Dazzled SH CA) Gypsy is a driven girl with an amazing hunting ability. She is my first Master Hunter and I have learn so very much with her, and she is patient with teaching me, too. She earned her MH June 22, 2024 at the Greater Pittsburg Labrador Retriever Hunt test in Ohio with flair. Thank you Sandy Dollar for breeding this sweet girl. Owned, Loved and Trained by Cindy & Gary Franklin

Master Agility Champion 2 (MACH2)

Nelchina (CH MACH2 Nuka Bay's Nelchina Glacier Brown BN RE MXS MJG XF T2B ACT1 CGC TKI)

completed her Master Agility Champion 2 title on November 16, 2024, at the Midnight Sun Golden Retriever Club trials. She is my first MACH2 and the 10th Chesapeake and 1st Champion Chesapeake to earn the MACH2 title. Nelchina is out of Kach (GCH MACH PACH Eastern Waters' Nuka Bay Kachemak VCD1 PCD BN RM5 RAE5 MXS MJB MXPB MJP3 MJPB PAX XF T2B CA DJA DNA TKI) and Niki (CH MACH Nuka Bay Tok's Nikolai Creek CDX BN GN RAE JH MXB MJS OF T2B2). She was bred by Lynda Barber-Wiltse (AK) and is owned, trained and handled by Lynda. Nelchina (and her litter sister Deshka) finished out the year by traveling to Orlando in December to compete in the AKC Agility Invitational (AGI). Both girls ran clean T2B warmup runs then ran clean in all four AGI runs. Nelchina then competed in the 24-inch Finals and placed 6th. She is a fun teammate!

Master Agility Champion (MACH)

Jill Conroy (NY) and Callie

(CH Pond Hollow Brugge X CH Pond Hollow the Wicked Wind) got her MACH in style. She waited till the last run of a three-day weekend at the biggest agility trial in the Country - the Thanksgiving Cluster in West Springfield, MA running on dirt. She needed a QQ going in to the trial and on Sunday she finally got it under Zach Davis courses. According to Chessiebook.org (thanks Frank Pittelli), Callie is the 30th Chessie to earn the MACH title, the 13th CH/ MACH, and 3rd to get the CH/SH/MACH. Watching Callie, you'd think she was 2 different dogs. Outside the ring, she is shaking and just wants to get out of the building. Once in the ring, she's like "Hold my beer mom, I got this". Funny that maybe 3 years ago, I wasn't sure if she liked the game and was going to stop running her. She must have heard that and then she really started running. She is now CH MACH Pond Hollow Dut-Chesse Callista SH CD MX MXB MXJ MJB RN CGC TKI WDQ. Thanks Dyane Baldwin for breeding her and trusting me to let her enjoy her life! Way to Go Team Callie!

Graduate Novice (GN) and Companion Dog Excellent (CDX)

"Chief" - GCH Eastern Waters' Chief Passamaquoddy CDX GN BN RE

(GCH Togin's On The Road Again O'Kinghill CDX JH RE BN DM CGC x GCHB Eastern Waters' Pinkpower Omesaridge BN RI) completed his GN title with scores and placements for each qualifying score. (April - Merrimac DTC - 1st place 193.5 and 1st place 188.5; July - Green Mountain KC - 2nd place 191; and August - NSS - 1st place 187). His CDX was earned as follows: (June - Skyline KC - 1st place - 193; August - NSS - 3rd place - 191.5; December - Lehigh Valley KC - 2nd place - 193 and 2nd place - 188). There was a glitch at our local November trials. Chief did not like the judge standing behind him on the Drop on Recall and the Command Discrimination Exercises. Our classes had finished for the year, so there was no opportunity to fix this at the training center. So Rupe wrote down all the commands for the Open A "routine" and invited a non-doggie friend to come over and run Rupe and Chief through an Open A pattern in our ring setup in the yard. That definitely helped Chief to qualify at the final trials of the year in Allentown, PA. Our friend, Mike, had never been to a dog show of any kind - and was immensely impressed by what Chief could do! It was a win/win situation and led to successful qualifying runs at Lehigh Valley KC. They had the greatest qualifying rosettes! Red and Green stripes with a Rosette both Red and Green!

Chief was bred by Betsy and Rupe Humer (VA) and is always trained and shown in obedience by Rupe Humer. Congratulations Team Chief!

Thank you to Judges Dr. Johan Becerra-Hernandez and Mrs. Donna Ernst for finding Ona in a beautiful line up of puppies. Ona out did herself when attending the UKC show held in Jefferson, WI by the Dodge County Canine Club. In Show 1, Ona placed Reserve Best Puppy 3-6 months by esteemed judge Stan Matsumoto. Even with all the conformation shows and training, Ona was in obedience training classes. To date Ona has attended 3 puppy training classes. Owner-Handled Move Up Goes Best in Show

“Eliza”

SHR OH-RBIS BIS BISS CH Longmeadow Just You Wait, CD RN DS
(Longmeadow Ray of Light x Longmeadow Miss Daisy Maybelle)

Owned & Handled by Beverly Matthias

Bred by Laura Chambers & Rochelle Kimbrough

On July 2, 2023 Laura Chambers finally convinced me to come look at her 19-week-old, very outgoing puppy bitch. I lost my beloved Doots just a couple months prior. He was almost 15, but it was sudden and devastating. I was not ready to add another dog to the family, but I loved this puppy's spirit (and her coat). Plus, she was Doots' great-great granddaughter, so home she came.

I named her Eliza after Eliza Doolittle from the musical, *My Fair Lady*. She became Longmeadow Just You Wait, as a song reference, and because she is always in a hurry.

Eliza earned her Started Hunting Retriever, Companion Dog and Dock Senior titles in 2024. These were all easy titles for her to achieve because she has so much natural ability and drive. This was keenly evident when she skipped right to a Dock Senior title, bypassing Novice and Junior. At the competition, I showed her the pool, showed her how to get out of it, and off she flew after the bumper.

Eliza earned her bench championship with her third, 5-point major at the Chesapeake Kennel Club of Maryland's Specialty show on December 1, 2024. Since she was now finished, I moved her up to Best of Breed (BOB) for the National Capital CBR Club concurrent specialty that afternoon. To my delight, breeder judge, Angie Cox, awarded Eliza BOB. How exciting that she earned her CH title, and a Best in Specialty Show (BISS) title the same day.

The following weekend was the Valley Forge Kennel Club shows in Oaks, PA. Betsy Humer was judging obedience on Saturday, and Rally on Sunday, so I entered both days. I did not plan to enter Eliza in breed that weekend, but word spread that Sunday was to be Dyane Baldwin's final judging assignment before retiring. As a show of respect to Dyane, I entered Eliza in breed. That meant on Sunday Eliza was now entered in two Rally classes, one Obedience class, and the breed ring. This would be too much for many dogs, but I knew she could handle the pressure.

Since Eliza just earned her Championship the weekend before, I moved her up from Open Bitch to BOB before Sunday's show. There was a large entry of 36 Chessies because, like me, many people entered to show their support for Dyane. I remember standing ringside with Marc Brooks as we watched Dyane expertly go over the class dogs. I said to him, "Well, at least we don't have to worry that our judge doesn't know the breed. She knows the standard better than anyone here." An hour later she was selecting Eliza as her Best of Breed. It was quite the honor.

A quick picture with Dyane, and off we went to the rally/obedience room to study the rally map and prepare for our classes. Eliza won her morning Rally Novice class with a 98, and she won her Open A Obedience class too, despite an unusually enthusiastic retrieve over the high jump. Immediately after those awards, the groups began. The Owner Handled Sporting Group was first, where Judge Ann Yuhasz awarded Eliza an OH Group 1. Then it was off to the Sporting Group, where Dyane Baldwin presided. I was thrilled to hear Dyane say, "And the Group 1 goes to the Chessie". Dyane later wrote, "As I stood in the group ring that day, I realized that I had never given a Chesapeake a First. So, I said to myself, 'Today's your last chance and what a wonderful dog to have in my ring to award it to!'" Next up was the Owner Handled Best In Show ring, where Judge John Schoeneman awarded Eliza the NOHS Reserve Best In Show. Then, after a short wait, we entered the Best In Show (BIS) ring, where I was happy to see Ann Yuhasz judging once again. I was fortunate to have Leonie Brooks and a few other wonderful Chessie friends stay to the bitter end to watch & root for the Chessie. Eliza and I strutted our stuff as best we could, and ultimately were awarded BEST IN SHOW! Ann Yuhasz was so kind and had wonderful things to say about Eliza. She told me she sat down next to Dyane Baldwin after the OH Group, and Dyane said to her, "I see you found that lovely bitch I put up." And Ann replied, "How could I miss her!"

But my day was not over yet. We still had one more rally class to run. Poor Leonie had been checking in with the rally steward every so often to make sure I would not miss the class. As luck would have it, rally ran late that day, and my final novice class began right after I arrived from the BIS ring. This should have been our 4th time in the ring this day, but because Eliza went all the way to BIS in the regular and OH groups, we were walking into the ring for the 8th time at about 5:00 PM (9 hrs after we first arrived). We scored our second 98 of the day and earned another blue rally ribbon. When Betsy Humer asked me how we did in the groups, I sheepishly told her, "very well." She asked what color ribbon we got, and I told her red, white & blue. I will never forget her expression as she replied, "You went Best In Show?" Then Leonie whipped out the huge BIS ribbon. Betsy was elated for us, as were all my Chessie friends. Know that I appreciate all of you!

Doots and I earned a RBIS once, but this was my first Best In Show. I am so grateful to Dyane Baldwin and Ann Yuhasz, and so happy the stars aligned to allow this to happen on this December day in 2024. At 21 months old, it is rather amazing what Eliza has accomplished so far. Not just because she is rather young, but because she really has not had that much training. I spent my 2023/24 training my older bitch, Sadie, to a UDX, Obed Master, Rally Master, Senior Hunter, and National Obedience Championship top 50 placement. Until now, Eliza only got my leftover training time. I really think she could do anything. So yes, beating 848 dogs to go Best In Show her 13th time in the ring was incredible. But this is no ordinary BIS dog. She is so much more...Just You Wait.

RESCUE RESCUE RESCUE

ACC RESCUE SUMMARY

Bones is one of our boys that we had in Oklahoma. His first family had to give him up due to losing their home. It was a very difficult decision for them, but they knew this was best for Bones. He has now found his forever home. He didn't go far and is living on a ranch in south Oklahoma.

Koda was a sweet long-haired boy who came into rescue from his breeder. ACC Rescue had found him a wonderful home in Tennessee on an acreage where he has a wonderful brother to share his adventures with. He has since been neutered, per his adoption but is living a life full of love.

Jerry was a two-year-old, intact male, who had basic obedience, and waterfowl training. His owner had been reassigned to a position that did not allow him to care for Jerry and give him the attention that he felt he deserved. Jerry was an easy placement. He is now living in Texas.

Rooster was a sweet male who's family just "good too busy" for him. Dogs are work as we all know and as terrible as it may sound, wanting a dog to have a full life and surrendering it to rescue can be a very hard decision made from love for the animal. Rooster an easy placement with a family in Illinois who had been waiting for a while for their new family member.

We recently assisted a breeder who had placed a dog only to have the family turn her into the Humane Society after she got in a fight with their other dog. We were able to pull the dog from the Humane Society and secure a safe place for her while we set up transportation to her new home. ACC Rescue is always a resource for our breeders if only to provide vetting for individuals prior to them placing a dog in a home.

If you were able to attend the National Show Specialty, you might witness auctioneer extraordinaire, Mike McCarthy auctioning off several amazing decoys to benefit ACC Rescue. Dr. James and Dr. Brenda Stewart donated these from their private collection to benefit our dogs in need.

We were also very fortunate to receive a grant from Westminster Kennel Club this year, which is given to a National Breed Rescue Organization annually. Thank you to Board Member Robyn Haskins for her assistance. We also received the proceeds from last year's NSS FastCAT. Thank you, Jen Martin!

ACC Rescue is looking for new "point people" to help with calls in their region. We are looking for a point person on the West Coast and the Northeast. These individuals are the first point of contact for individuals in need of assistance. If you would like to help, please contact Heidi Henningson at buroak@mail.com

From fostering dogs, driving a leg of a trip, adopting, or donating, we could not help our dogs in need without the support from our ACC members and volunteers.

02-20-2009/07-07-2024

She was always “special”-named for the AI breeding and c-section that brought her into the world. She was an only puppy. I often said she was a breeder’s dream-a litter of one with a great puppy !

Made her championship with 4 majors and BW/WB at an ACC Supported entry. She had 7 group placements-4 of them owner handled. In 2012 co-owned with Linda Cayton and handled by Angela Lloyd, she was Best of Opp Sex ACC NSS and #1 Chesapeake in breed points. She closed her AKC show career with a BOB at Westminster KC in 2013. Her show record could have been more outstanding but she really did not like dog shows. One time in Canada though she decided it was fun-that day she won the Sporting group and nearly took BIS!

In 2015, she went to live with Diane Adams in New Brunswick Canada. There she made her Can Ch including a Group 1; a Tracking title; a WC and a Rally title. At home with Diane, she played in her pond trying to catch frogs just like her great great grandmother did. Diane describes her “the most beautiful gentle soul and was my soul mate-we had such a connection.” She was Diane’s shadow-never far from her side. Besides the frog catching, she loved to swim; to dunk for rocks in the stream and run with abandon. She lived a long life-just shy of 15.5 yrs.

Her legacy to the breed is profound. Her son GChP* Pond Hollow Third Time’s A Charm fol-

lowed in her footsteps-BOS ACC NSS 2018, #1 CBR 2019 Breed points & BOB at Westminster KC 2020. She had a Ch/MH son in Ch Pond Hollow A Special Deacon MH and a great granddaughter who also made a MH-Pond Hollow Rippling Waters MH. Thru her grandson ACC NSS BOS 2021 GCh*G Susquidilla Dark Shadows her influence even extends into Europe.

I was always proud to show you Special. I hope you and your great great grandmother are catching frogs together!

CLASSIFIED AD SUBMISSION GUIDELINES -

Guidelines cover all ads for Stud Dogs, Puppies, and Older Dogs.

The absence of OFA/CERF/PRA/DM/EIC information indicates to the buyer that they should inquire about these conditions/clearances. Inclusion on these classified lists does not imply endorsement by the ACC or guarantee health clearances. The ACC accepts ads in good faith. Guarantees or warranties (expressed or implied) are the sole responsibility of the advertiser.

All ads must be submitted by filling out an online form that is available at amchessieclub.org/how-to-submit-an-ad/. Alternatively, a paper copy of the form can be requested from the coordinator. Submit an online form or mail a paper form to the address below.

Stud Dog/Puppy/Older Dog Ads: Bulletin ads are due the 1st of odd months only. Bulletin due dates will be strictly adhered to. Any Bulletin ad received after the Bulletin deadline will be published in the following Bulletin. Web ads are not subject to Bulletin deadlines and can be submitted at any time. Any ad can be removed at any time at the request of the member.

Stud Dogs: Included in 6 Bulletin issues and on the website for one year. Stud dog owners will be asked to confirm inclusion on the list annually (in December).

Puppy/Older Dogs: Owner will indicate expiration date for ad.

Note to breeders: Be cautious as to whom you respond to in conjunction with your puppy ads. Some breeders have been receiving emails from pet dealers.

GLOSSARY OF COMMON SYMBOLS / ABBREVIATIONS:

HEALTH COMMITTEE

ACC RECOMMENDED HEALTH TESTS

For All Breeding Stock

The ACC Board of Directors strongly recommends that all breeding stock be free of Hip/Elbow Dysplasia, Progressive Retinal Atrophy (PRA) in addition to all hereditary eye diseases, Exercise Induced Collapse (EIC), and Degenerative Myelopathy (DM) – tested Normal or otherwise. The above health statement was proposed by our ACC Health Committee then approved by the ACC Board of Directors on September 11, 2016, (ACC Board Motion 16:39).

American Chesapeake Club CODE OF ETHICS

Love and respect of the Chesapeake Bay Retriever is implicit in membership in the American Chesapeake Club. Therefore, all members agree to foster the goals set forth in the Code of Ethics.

RESPONSIBILITIES OF MEMBERS

a. Read and familiarize yourself with the American Chesapeake Club Breed Standard for the Chesapeake Bay Retriever that is approved by the American Kennel Club. Support and abide by the rules of the American Chesapeake Club and the American Kennel Club.

b. Appreciate the unique nature of the Chesapeake Bay Retriever and try to develop the characteristics this dog has inherited through selective breeding (intelligence, desire to mark and retrieve with style, love of water, and keen scenting ability).

c. Assume the responsibility of proper feeding, maintenance, health care, and training at all times.

d. Always conduct yourself in a manner which will reflect credit on yourself and the breed. Refrain from public criticism or malicious degrading of others or their dogs, whether in person, on social media, or otherwise.

e. Never knowingly sell or place a Chesapeake Bay Retriever with unethical persons or those who would not provide proper and humane care to the dog. Refuse to sell any Chesapeake Bay Retriever to any pet shop or to any wholesale dealer in dogs.

f. Should you become aware of the mistreatment, abuse, or need for relocation of any Chesapeake Bay Retriever, make every effort to be of assistance by notifying the breeder of the dog involved, the local authorities, and helping in any other way in which you are able.

RESPONSIBILITIES OF BREEDERS/ BROOD BITCH/STUD DOG

The ACC Board of Directors strongly recommends that all breeding stock be free of Hip/Elbow Dysplasia, Progressive Retinal Atrophy (PRA) in addition to all hereditary eye diseases, Exercise Induced Collapse (EIC), and Degenerative Myelopathy (DM) - tested Normal or otherwise.

a. Do not breed Chesapeake Bay Retrievers that are not registered by the American Kennel Club or by kennel clubs recognized by the American Kennel Club.

b. Strive in each breeding to improve the breed according to the ACC Breed Standard. Conscientiously plan each breeding based on the parents of the appropriate temperament, appearance, and other desirable qualities.

c. Be aware of genetic defects which can be harmful to the breed. When breeding, endeavor to select animals that will reduce the incidence of genetic problems while enhancing the positive attributes and abilities of the breed. Be open with all persons interested in the welfare of the Chesapeake Bay Retriever and discuss possible physical or temperament defects in your own stock.

d. Do not breed any bitch which is not mature (never before the second heat) and in good health. Do not allow puppies to go to their new homes until at least seven weeks of age.

e. Act responsibly toward all puppies produced by your brood bitch or stud dog for the lifetime of the puppies. (Recommend that the breeder encourage the owner to contact the breeder if the owner can no longer keep a dog at any time in the dog's life).

f. Understand that written contracts are strongly recommended for all transactions, such as sales, guarantees, co-ownerships, breeding rights agreements, bitch leases, stud services, etc. Keep accurate records and pedigrees and give new owners registration papers or forward registration papers as soon as possible.

g. Use and promote the use of the American Kennel Club non-breeding registration on pet quality puppies which are sold or placed by you.

American Chesapeake Club CBR DATABASE

As the keepers of the breed and the parent club's mission to providing information regarding the health and history of the breed to our members and the public, the breed database is more than a health database, it combines titling and health test results from all sources. In addition to the OFA results we permit owners to enter results from any testing lab as a free public service. Owners and breeders can submit new dogs, test results, personal notes, and photos of their dogs.
