

Breed Preservation Grant Application Template

Project Title: Chesapeake Bay Retriever Heritage & Preservation Initiative

Objective:

To protect and promote the unique physical and working characteristics of the Chesapeake Bay Retriever through specialized education and historical documentation.

Project Description:

- **Target Audience:** Current and prospective breeders, AKC judges, and ACC members.
- **Activities:** This grant will fund the production of high-quality educational videos and an updated "Illustrated Standard" guide that emphasizes the breed's unique coat, conformation, and temperament.
- **Alignment with Mission:** This initiative ensures that the original purpose and distinct qualities of the breed are preserved and accurately interpreted in both the show ring and the field.

Proposed Timeline:

- **Planning & Content Development:** [Start Date] to [End Date]
- **Production/Seminar Date:** [Specific Date]
- **Distribution to Members/Judges:** [Date]

Budget Breakdown:

- Videography/Digital Production: \$2,500
- Seminar Venue & Educational Materials: \$1,500
- Guest Speaker/Breed Authority Honorarium: \$1,000
- **Total Requested: \$5,000**

Impact & Evaluation:

Success will be measured by the number of educational kits distributed to judges and attendance at the Preservation Seminar.
